Criteria for Faculty Sabbaticals from the College of Engineering
January 2007

Criteria for sabbatical (in order of priority)

1) Potential for significant scholarly advancement during the proposed sabbatical period
2) Track record in scholarly activities over the last 5 years
3) Opportunity cost – how important is it to have the sabbatical this year instead of a future year (i.e. unique opportunity for a significant collaboration)
4) Has the applicant been a good university citizen over the last 5 years?
5) When was the last time the applicant had a sabbatical? What did the applicant accomplish on the last sabbatical?
